CIVIL AIR PATROL UNIFORM REGULATION

This regulation describes the various Civil Air Patrol (CAP) uniform items and how they will be worn.

SUMMARY OF CHANGES

This regulation has been revised to allow for implementation of the most recent USAF guidance for USAF-style uniforms through 01 AUG 2018, implementation of uniform regulation interim change letters published by NHQ, and guidance approved for Corporate-style uniforms. Note: Shaded areas identify new or revised material but the regulation should be reviewed in its entirety to ensure compliance.

Chapter 1. Includes updated guidance for the Curry Uniform Voucher for Cadets.

Chapter 2. Updates the composition of the National Uniform Committee. Clarifies the authority of the unit commander.

Chapter 3. Updates the grooming standards and tattoo policy to reflect recent Air Force changes. Language and grammar corrections.

Chapter 4. Aligns the size of senior member NCO chevrons with the Air Force guidelines allowing for 3 ½ or 4-inch chevrons by either male or female members. Authorizes the wear of multiple miniature medals on the Corporate Semiformal Uniform. Sets a phase out date for wear of the old-style USAF Service coat for cadets. Clarifies the wear of cadet airman grades with the service coat. Authorizes the wear of a gray skirt with the women's aviator shirt combination.
