

## Recommended Reading List

This list contains valuable reading material for the new squadron commander. Some are instructive, others situational, and still others give biographical insight into what it takes to be an effective commander. Many publications on this list were used in the formulation of the course. All can be obtained in either your local bookstore, library, CAP, or Air Force channels.

1. Reading selections from this list will hone further the concepts you explored in the Unit Commanders' Course. Happy reading!
