

NEW HAMPSHIRE WING SUMMER ENCAMPMENT

10-19 JULY 2009

An encampment can be the most significant and worthwhile training experience of a CAP cadet's membership.

The New Hampshire Wing Encampment is designed to provide cadets the opportunity to; apply knowledge gained in the cadet program to practical situations, develop a greater understanding of CAP and Air Force missions and capabilities, develop their leadership potential, enhance their interpersonal skills, develop time-management skills, develop a spirit of teamwork, inspire a sense of discipline and learn how to overcome challenges and succeed.

Cadets will be challenged in an environment that utilizes exciting team oriented activities and an aerospace oriented curriculum. It provides an opportunity to gain new friends and have a lot of fun at the same time.
